*Dedicated to create a world where feral & stray cats
receive the care and respect they deserve.*

Care 4 Paws Society

To send an Interac E-Transfer to Care 4 Paws Society with auto-deposit enabled, follow these steps:

1. **Log in to your Online Banking:** Sign in to your bank's online banking platform using your credentials.
2. **Navigate to Interac E-Transfer:** Look for the option to send an Interac E-Transfer. This might be under the "Payments" or "Transfers" section.
3. **Select Recipient:** Choose to **add a new recipient**. Enter the name of the recipient as "**Care 4 Paws Society**" and the email as "**donations@care4paws.ca**". Since auto-deposit is enabled, you do not need to enter a security question and answer.
4. **Enter Amount:** Enter the amount you wish to donate.
5. **Add a Message:** *Optionally, you can add a message to Care 4 Paws Society.
6. **Review and Confirm:** Double-check all the details, especially the recipient's email address and the amount.
7. **Send:** Once you are sure everything is correct, click on the "Send" or "Transfer" button to initiate the transfer.
8. **Confirmation:** You should receive a confirmation that the transfer was successful. Care 4 Paws Society will also be notified via email that the donation has been deposited directly into their account.

Please note that the exact steps may vary slightly depending on your bank's online banking interface.
